Hoosier: Our September/October issue of the Hoosier is now being printed. It contains some good articles but nothing written by the students. ALL TEACHERS: For the November/December issue please encourage your students to write some articles. This is a holiday issue, lots of subjects can be written about. For instance, students can write about Halloween, Thanksgiving, or Christmas. Preschool students can have their teachers write what they say. Drawings by students are also enjoyed. These are only suggestions- whatever topic you want to use is fine, but let's load the next issue with writings from the students. Also we like to use pictures if you have any available. If you are planning some special activities and you would like for the photography class to take pictures, please see Dave Morphew. Deadline for submitting all material for the next issue is November 8th. Thanks!

Elen Zook and Carrie Hendrickson, Vocational Department
